

# CALL FOR PRESENTATIONS

Student Poster Session  
Sponsored by SCCAVS  
October 3, 2017  
4 to 6 pm  
Holiday Inn - Buena Park

The Poster Session will be held in conjunction with the 2017 SCCAVS Equipment Exhibition and Short Course Program on Tuesday, October 3, 2017 at the Holiday Inn at Buena Park.

The Poster Session features innovative research conducted by students at leading institutions in Southern California. It provides an excellent opportunity for students to discuss their research with other students and potential employers.

Contributions are solicited from both undergraduate and graduate students (postdoctoral researchers may also present) conducting research in all areas of interest to the AVS, including surface science, studies of interfaces and thin films, etching and deposition processes, molecular electronics, microelectromechanical systems, catalysis, molecular level tribology, and nanotechnology of biosystems.

Posters will be presented in the Exhibition Hall. Students may set up any time between Noon and 4 pm. Presence is mandatory between 4 and 6 pm.

Prizes will be given for best 1<sup>st</sup> and 2<sup>nd</sup> place posters! 1<sup>st</sup> prize is \$250 and 2<sup>nd</sup> prize is \$100.

**DEADLINE: September 19, 2017**

---

A one page abstract, including title, authors (with presenting author underlined), and affiliation should be emailed as an MS Word attachment to the address below. All presenters will be informed of their acceptance in the program by September 21, 2017.
